

March 31, 2026

Hi Dan,

Due to higher costs, Tarco is announcing price increases for the following product categories.

Effective May 4, 2026:

Product Category	Percent Increase
Saturated Felt	9%
EasyLay Synthetic Underlayments	8-10%
LeakBarrier Membranes	5-9%
Asphalt and Butyl Tapes	5-9%

This price increase will be effective with shipments on or after May 4, 2026, regardless of order entry dates.

For pricing in your market area, please contact your local sales representative.

Thank you for your continued support.
