

August 21, 2026

Dear Valued Customer,

To address continued increases in the costs of steel, insulation, labor, freight, and other essential inputs, we will be implementing a price increase of **up to 6%** across our product offerings.

The new pricing will be **effective on all orders received beginning September 21, 2026.**

Your Sales Representative will be in touch with you soon to review the updated pricing and provide your new price sheets.

We appreciate your continued partnership and understanding. We value your business and remain committed to providing the quality, service, and reliability you have come to expect from us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Micah Dawson', written in a cursive style.
