TO: U.S. Elevate Customers

Dear Valued Customer,

Effective December 11, 2026, Elevate will implement price adjustments for steel sheets, coils, panels, and plates.

These adjustments reflect continued increases in raw material and supply chain costs, driven by tightening steel availability, increased demand, and higher manufacturing and transportation expenses.

The price adjustments taking effect are outlined below.

Product Category	Increase	Effective Date
Steel Sheets and Coils	Up to 8%	December 11, 2026
Steel Panels	Up to 8%	
Plates	Up to 8%	

These adjustments apply to all orders shipped on or after December 11, 2026. All currently approved quotes will be honored at the pricing stated therein, subject to their validity period and terms.
