Dear Valued Customer,

Thank you for your continued partnership with Wolf Outdoor Living. We value your business and remain committed to providing the quality products and dependable service you can count on.

We are writing to inform you of upcoming price changes due to evolving market conditions and cost pressures affecting key product categories.

New Pricing:

Wolf Outdoor Living will implement a 6% price increase across Wolf Serenity Decking and Porch, all Wolf PVC Trim and select Wolf Mouldings SKUs.

Orders placed before November 23, 2026, with a confirmed delivery date on or before December 23, 2026, will be billed at current pricing. Orders placed on or after November 23, 2026 will be billed at the **new** pricing. Orders delivered after December 31, 2026 will also be billed at the **new** pricing, regardless of when the order was placed.

While there is no set limit on orders placed before the effective date, quantities are subject to availability, and orders that exceed normal volumes may be limited. We encourage you to plan ahead and place orders early.

We recognize that pricing changes impact your business planning and purchasing decisions. As always, we remain committed to delivering exceptional value through reliable product performance, consistent availability, and the high level of service and support you have come to expect from us.

If you have any questions, please contact your PrimeSource or Wolf Outdoor Living representative.

Thank you for your continued partnership.

Sincerely,

Bill Wolter
