

Target Mail & Storm Postcards

Generate *maximum response* from verified homeowners.

For over 20 years, contractors have found that Target Mail is a great way to get the word out to homeowners in their area.

Some of the top reasons to use Target Mail are to:

- ✓ Highlight a quality job site in the area
- ✓ Promote new/different product segments
- ✓ Increase sales and generate new leads
- ✓ Create awareness in a new market area
- ✓ Communicate promptly to storm-damaged areas

Target Mail helps contractors stand out from the competition with high-quality full-color professional and customized postcard designs. *Choose from over 50 postcard versions!*
