Important Price Announcement

Dear Dean,

As always, we appreciate your continued support and partnership.

Despite our ongoing efforts to absorb rising costs, the magnitude and pace of recent market movements have made a price adjustment necessary.

As a result, **AlSCO will implement a price increase of up to 10% on all aluminum products effective with all orders shipped on or after June 26, 2026.**

Maintaining consistent service and meeting customer demand remain top priorities. Given the ongoing volatility in the aluminum market, **orders may be limited to historical purchase levels to ensure fair and responsible allocation of available supply.**

We will continue to closely monitor market conditions and remain committed to providing transparency as the situation evolves.

If you have any questions, please contact your local sales representative or our customer service team.

We thank you for your continued support,

A handwritten signature in cursive script that reads "Mike Svehla".
