

Roof Shingle and Underlayment Products Freight Surcharge Increase Announcement March 23rd, 2026

March 16th, 2026

Greetings Valued Customers,

The National Average Price of a gallon of diesel fuel as reported by the Department of Energy rose to a peak of \$ 4.859 last week. Due to current uncertainty around oil prices and these rapidly increasing costs, Atlas will be moving to a \$300 per truckload Freight Surcharge, effective with all shipments beginning March 23rd, 2026, regardless of order entry date. We will continue to monitor the situation and will adjust accordingly in the coming weeks.

We appreciate your understanding. If you have any questions, please contact your Atlas Sales Representative.

Sincerely,

Stanley J. Bastek
Vice President of Sales & Marketing
