

Roof Shingle and Underlayment Products Freight Surcharge Increase Announcement April 20th, 2026

April 13th, 2026

Greetings Valued Customers,

The National Average Price of a gallon of diesel fuel as reported by the Department of Energy rose to \$ 5.643 last week. Due to these rapidly increasing costs, Atlas will be moving to a \$400 per truckload Freight Surcharge, effective with all shipments beginning April 20th, 2026, regardless of order entry date. We will continue to monitor the situation and will adjust accordingly in the coming weeks.

We appreciate your understanding. If you have any questions, please contact your Atlas Sales Representative.

Sincerely,

Stanley J. Bastek
