Dear Customer:

Due to continued and escalating global conditions affecting supply chains, pricing and logistics, Bitumar is announcing 3-10% price increase effective Monday May 4th its built-up roofing asphalt nationwide. All shipments made on or after that date will be at the new price, regardless of date of order. If these costs continue to rise, further increases may be necessary.

Please contact your local sales rep for specific pricing in your region.

Thank you for your business, we look forward to continuing to grow with you.

Best regards,
