Dear Valued Customer,

As a valued partner to our shared success, we want to inform you about an upcoming pricing adjustment. At Brava, we have and will continue to take extensive steps to manage incoming costs to keep our products extremely competitive for you and your customers. Despite our ongoing efforts, we have been impacted by considerable increases in raw materials, fuel, and energy costs.

Effective June 1, 2026, for all orders placed, and July 1, 2026, for all shipments, the following price increases will apply to all products:

Stocking Locations:

- 3% on Shake field tile and accessories
- 2% on Slate and Spanish field tile and accessories

Non-Stocking distribution locations:

- 6% on Shake field tile and accessories
- 5% on Slate and Spanish field tile and accessories

New price sheets and quoting tools will be available no later than May 18, 2026. For detailed pricing or more information please contact your Brava Representative or our Customer Experience Team. We appreciate your business and support, and we look forward to continued growth together in 2026.

Thank You from the Brava Team!
