

March 30, 2026

Dear Valued Customer,

Thank you for your continued partnership and the trust you place in Cornerstone Building Brands. We value the role we play in supporting your business and remain committed to delivering the quality, reliability, and service you expect.

Over the past several months, our industry has experienced increased volatility driven by ongoing economic and political developments. These factors have led to sustained increases in the cost of raw materials, transportation, and labor. While we have taken meaningful steps to offset these pressures through our investments in operational efficiency, automation, and technology, the pace and magnitude of cost increases now require us to adjust our pricing to maintain our quality and service commitments.

Effective **June 1, 2026**, Cornerstone Building Brands will implement the following price adjustments:

- Vinyl Windows and Doors: increase of 3%–6%
- Aluminum Windows and Doors: increase of 5%–8%
- Parts and accessories: list price increase

The following brands are included:

- Simonton
- Eastern Architectural Systems
- Atrium
- Harvey
- Silver Line
- Thermo-Tech
- Ply Gem
- Cascade
- Prime

New pricing will apply to all orders received after the closing of business on May 29, 2026.

We remain focused on being a dependable partner by continuing to invest in the products, capabilities, and service that support your success. Your Cornerstone Building Brands Sales Representative is available to discuss these changes and answer any questions you may have.

Sincerely,

Will Gentry
Senior Vice President, Sales
Windows & Doors Business Unit
