## **US Price Increase for Residential Roofing Products**

Dear Malarkey Roofing Products® United States Customers,

As we closely monitor and assess the evolving tariff landscape, it is clear that the impact on raw materials costs is present and will be enduring. Due to this, Malarkey Roofing Products® is announcing an increase of up to 5% on all Residential Roofing Products. This increase will go into effect for all United States customers on Thursday, May 1<sup>st</sup>, 2025.

Prior to implementation, our field representatives and regional management will provide details and specific amounts relative to your area. Increased amounts may vary by market and product. Some items may exceed the announced increase.

Orders shipped on or after May 1<sup>st</sup>, will be invoiced at the new price regardless of the order date, no exceptions.

Our regional sales team, as well as customer service members, will be available to assist with further planning.

Thank you for your continued support of Malarkey Roofing Products®.

Regards,
