Malarkey Roofing Products® Freight Policy Update

Dear Malarkey Roofing Products® Customers,

The following freight-related policy is effective April 1st, 2026 for all shipments on Malarkey-tendered trucks and supersedes all previous memos on this topic.

Malarkey Roofing Products® uses a Freight Surcharge calculation mechanism, based on the U.S. Department of Energy’s weekly publication of U.S. On-Highway Diesel Fuel Prices. Updates to the Freight Surcharge will be recommended when the U.S. DOE published average remains outside the current tier for a month.

Per the tiered surcharge table below, a Freight Surcharge of **\$350.00 USD (\$500.00 CAD)** per truckload will be applied to all Malarkey Roofing Products® tendered trucks shipping April 1st, 2026 or later. This does not apply to Rail or Will Call shipments.

Diesel National Avg Range (USD)		Per-Truckload Surcharge (USD)
\$ -	\$ 4.20	\$ 200.00
\$ 4.21	\$ 4.60	\$ 250.00
\$ 4.61	\$ 5.00	\$ 300.00
\$ 5.01	\$ 5.40	\$ 350.00
\$ 5.41	\$ 5.80	\$ 400.00
\$ 5.81	\$ 6.20	\$ 450.00
\$ 6.21	\$ 6.60	\$ 500.00

Our sales team is available to assist with any questions or concerns.

Thank you for your continued support of Malarkey Roofing Products®.

Regards,

John Rabung
 Vice President of Sales
 Malarkey Roofing Products®
