

January 29, 2026,

To our valued customers

Due to the continually rising costs associated with raw materials, packaging, and transportation, on March 2, 2026, Midwest Enterprises will be implementing a price increase on all gutter protection products and accessories.

The price increase will range from 6% -10% on all gutter protection, hanger and accessory products. The new pricing will become **effective on orders placed on or after March 2, 2026**. We understand the pressures that this can put on your business, and we are committed to helping you through the process. If you have any questions or need any assistance, please contact your local representatives, or call our office at 1-800-748-7736.

Our number one priority at Midwest Enterprises is to continue providing our loyal customers with superior products and services at the best prices. With over 25 products, we are the leading innovator in the gutter guard industry! With your support, we will continue developing new products that will help you create new opportunities for your business.

Thank you for your continued support and loyalty over the last 42 years.

Perry Ealer

President of Midwest Enterprises
