

Re: Pricing Update
March 19, 2026

Dear Valued Customer,

Thank you for your continued partnership with MITER Brands. Our team remains committed to delivering exceptional products and services that will allow us to grow our partnership with you, even as we navigate ongoing inflation and rising material costs. To date, we have been able to absorb many of these costs and minimize the impact to you.

However, after careful consideration and review, we must now adjust our pricing to ensure we are able to maintain the standards of quality and reliability you deserve and expect from us. Effective May 4, 2026, a 5% – 9% price adjustment will be implemented on windows and patio doors for the following brands within the MITER Brands portfolio.

- MI Windows and Doors
- Milgard Windows and Doors
- PGT Windows and Doors
- Sunrise Windows and Doors
- Western Window Systems

All pricing updates will be implemented via a multiplier adjustment. Sales leaders for each of our brands will communicate specific details pertaining to their respective pricing adjustments.

We recognize that price changes have an impact on your business, and we approach this decision with sensitivity and respect for our partnership. Our goal is to provide you with ample notice, support, and transparency throughout this transition.

Thank you for placing your trust in MITER Brands. Our commitment to providing you with the finest products, services, and experiences remains unwavering, and we are dedicated to supporting your success and the satisfaction of your customers every day, everywhere.

Sincerely,

A handwritten signature in black ink that reads "Brock Snyder".
