Subject: August Pricing Changes

Thank you for your continued partnership and support of MuleHide Products. Please be advised that MuleHide's price for the following products will increase as of August 1, 2025. The primary driver for the fasteners, plates, term bars and drains is the recently announced 50% tariffs on steel and aluminum under section 232. The adjustments listed below will be effective on all shipments on or after this date.

Product Line	Effective Date	Change
Fasteners, Plates, Term Bars, Drains	8/4/2025	+8-10%
Air and Vapor Barrier	8/4/2025	+15%
Vapair Seal MD	8/4/2025	+15%

All active quotes will be honored through quote expiration. New quotes issued with quote validity past August 4th will reflect the price changes.

Thank you for your continued support. Please contact your Territory Manager with any questions.

Sincerely,

MuleHide Pricing Team
