

VINYL SIDING, SOFFIT & ACCESSORIES

---

May 8, 2026

Dear Valued Customer,

Over the past year, we have experienced sustained increases in costs, including raw materials, transportation, and energy. To support the quality, availability, and overall experience you expect, we will be implementing a price increase on new orders placed on or after June 1, 2026.

The increase will range from 3% to 8%. Updated price lists are now available and will be available through your Norandex Business Development Manager

We remain committed to delivering value through innovative products and a simplified approach to doing business. If you have any questions or would like to review the changes in more detail, please contact your Norandex BDM.

Thank you for your continued support.

Sincerely,
