Subject: Synthetic Underlayment Tariff Surcharge

Dear Owens Corning Roofing Customer:

Owens Corning Sales, LLC is announcing a tariff surcharge of up to **10 percent** on all mechanically attached and self-adhered synthetic underlayment products.

This tariff surcharge will apply to all shipments on or after **May 12, 2025**, regardless of order entry date. As this date approaches, we will communicate specifics on how we will execute the tariff surcharge.

Given the volatile environment, there is a possibility this surcharge will need to increase. To ensure you have ample time to plan your business, we will provide you approximately 30 days notice of any future changes.

Thank you for your business and continued support of Owens Corning. Please contact your Area Sales Manager or Components Sales Leader with any questions.

Regards,
