RE: Price Increases

Dear Valued Customer,

On February 18th, we announced anticipated general price increases based on potential tariffs and their impact on costs. Since that letter, we have been working closely with our supplier partners and made every effort to minimize the impact of the direct and indirect cost increases associated.

We've taken actions to reduce risk but see it as necessary to enact price increases in the product categories below for all orders shipping after April 1st. Please note that other increases are possible if additional tariffs are put into place.

PRODUCT CATEGORY	INCREASE %	EFFECTIVE DATE
Adhesives	Up to 7%	April 1, 2025
Fasteners	Up to 12%	April 1, 2025
Loose Plates	Up to 15%	April 1, 2025
RhinoBond Plates	Up to 10%	April 1, 2025
Drains	Up to 8%	April 1, 2025
Term Bar	Up to 8%	April 1, 2025
Roof Mounts	Up to 5%	April 1, 2025
Installation Tools and Accessories	Up to 10%	April 1, 2025

To maintain supply for all our customers, we will review order quantities during this period and may limit excessively large orders placed prior to the price adjustment.

Thank you for your partnership and understanding during this unconventional inflation event. We are more dedicated than ever to deploying our resources to service the roofing contractor and ensure a great experience with our products.

Please reach out to me with any questions or concerns.

Sincerely,

John McMahon
SVP & General Manager
