Dear Valued Customer:

Omega Products will implement a 5% price increase on all our products effective June 15, 2025. This decision comes after careful consideration due to the rising cost of graded aggregates, lime, cement, some chemicals, and increased internal labor expenses. Please note this increase is not Tariff-related.

We recognize that price changes can be difficult, and we thank you for your understanding and support. We appreciate our partnership and remain committed to enhancing the demand for Omega products through our valued distributors.

If you have any questions or need further information, please do not hesitate to contact us.

Sincerely,

OMEGA PRODUCTS INTERNATIONAL
