

May 12, 2026

Dear Valued Customer,

Cornerstone Building Brands would like to thank you for your continued business and partnership. We are reaching out today with an important update regarding pricing for the Ply Gem Performance Metals brand.

We are continuing to see significant and sustained increases in the cost of steel and aluminum raw materials. In order to manufacture and deliver our products at the highest levels possible, **Cornerstone Building Brands will be implementing a price increase of 15% on select Trim Coil and Roll Form items** within the Ply Gem Performance Metals collection (including Mastic TS24 Coil).

**This adjustment will apply to all orders shipped on or after July 12, 2026, or as contractually obligated.** New price sheets will be distributed in the upcoming weeks. To ensure fair supply for all customers, we reserve the right to limit bulk purchases ahead of the effective date.

Thank you for your loyalty and continued support. We remain committed to providing our customers with high quality exterior building solutions and look forward to a continued partnership driving growth together.

Please reach out to your sales representative if you have any questions.

Sincerely,

*Brad Wilhelmy*

Brad Wilhelmy

Vice President, Siding & Accessories Category Management
