### Notice of North America Price Adjustment – Effective on June 1<sup>st</sup>, 2026

Polyglass would like to thank you for your continued partnership and the trust you place in us for your product needs. Our commitment to delivering high-quality products and dependable service remains unwavering.

Due to ongoing global economic conditions, we continue to experience sustained cost pressures across raw materials, transportation, and manufacturing—many of which are outside of our control. As a result, Polyglass will implement the following price adjustments:

Product Category	% Increase
Asphalt Membranes- Underlayments	Up to 5%
APP-Cap and Base	5-8%
SBS-Cap and base	5-8%
SA- Cap and Base	5-8%
Mastics and Cement	5-8%
Spray Foam	15%
Freight Increase Per Truck Load	\$ 150.00

These adjustments will apply to all shipments on or after June 1<sup>st</sup>, 2026, regardless of order entry date. As we approach the effective date, Polyglass will provide further communication outlining specific product-line adjustments.

Polyglass remains committed to supporting your business with reliable products, competitive value, and the high level of service you expect.

If you have any questions, please contact your sales representative.

Regards,

Tino De La Rosa  
Vice President, Sales
