Re: Price Increase

Due to the continued rise in material costs Raytec will implement an 8% increase on March 1, 2026.

In the meantime, only "normal-sized" PO's will be accepted that are consistent with purchase history.

We appreciate your business and look forward to the opportunity to serve you in the year to come.

Sincerely,

A handwritten signature in black ink, appearing to read "Tag Saunders", is written over a horizontal dotted line.
