

April 24, 2026

To our Valued Customers:

We are announcing a price increase on all Tapco Tools® Brakes and accessory products for our customers effective Monday, June 1, 2026. Despite our ongoing efforts to manage costs, we are impacted by significant increases in raw materials, fuel, and energy costs.

All products will increase **by 5%**. New price lists will be made available late April 2026.

All orders placed by **5:00 PM ET on Friday, May 29, 2026**, will maintain current pricing. Orders placed after that date will receive the new pricing.

All orders placed prior to the increase will ship at standard lead times. Requests for delayed shipments will not be accepted.

We remain committed to providing quality products to serve your needs. If you have any questions, please reach out to your Territory Manager or Customer Service Representative.

Sincerely,

Bill Conlon  
Vice President, US Sales
