Subject: Neverleak Co. 2025 Price Increase

Dear Valued Customer,

This letter serves to formally notify you that effective with orders shipped on or after Feb 1<sup>st</sup> 2025 the price of our products will be increased by 5%.

Neverleak has not raised prices since Feb 1<sup>st</sup> of 2022, despite historic levels of inflation with rising metal, plastic and paper costs as well as fuel and freight.

While we have invested in automation and process improvement to absorb a great deal of the increases of the last 3 years, we must at this time pass on a small portion of these increases.

New price lists will be provided to you by your Neverleak Sales Representative.

We will also be making adjustments to the minimum order quantities to qualify for free freight. These have not been adjusted since 2017.

Neverleak remains committed to providing the highest value, with a superior product, best in class customer service and product availability.

We appreciate your business and thank you for your support.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Martin".

Scott Martin  
President  
The Neverleak Company
