

August 4th, 2025

**Dear Valued Business Partner,**

Due to the rising costs of steel, aluminum, and vinyl, OmniMax will be implementing a price increase for all products as follows:

Aluminum and Steel products +6-12%

Vinyl & other products +4%

The new pricing will apply to all orders placed on or after September 2nd, 2025.

While OmniMax has taken steps to reduce the impact of tariff-related increases, the implementation of the increased Section 232 import tariffs (up from 25% to 50%) has increased our material costs dramatically.

Please know that maintaining consistent service and supporting customer demand is a top priority for us. As such, we reserve the right to limit order quantities to historical purchase levels.

Please contact your local sales representative or customer care representative for the new rates in your area. We appreciate your understanding and continued partnership.

Regards,

Kirk Stinson  
Chief Commercial Officer
