

April 10, 2026

To our valued Kleer® customers:

We are announcing a price increase on all Kleer® products for our customers effective May 16, 2026. Despite our ongoing efforts to manage costs, we are impacted by significant increases in raw materials, fuel, and energy costs.

All orders placed by **5:00 PM ET on Friday, May 15, 2026**, will maintain current pricing, provided they ship on or before **Sunday, June 7, 2026**.

Orders shipping **after June 7, 2026**, will be subject to the increased pricing. All orders placed during this period will follow current lead times and ship at the plant's discretion.

All products will increase between **6% and 9%**. New price lists will be made available late April 2026.

We remain committed to providing quality products to serve your needs. If you have any questions, please reach out to your Territory Manager or Customer Service Representative.

Sincerely,

Bill Conlon  
Vice President, US Sales
