Subject: Stone Solutions Price Increase

Dear Customers,

Thank you for your continued business and support as we respond to today's challenging market environment. Despite our ongoing efforts to manage costs, we are impacted by significant raw materials, fuel and energy costs.

All Westlake Royal Stone Solutions product lines will implement a 5–7% price increase on all shipments effective May 18th, 2026.

Updated price books will be made available to you no later than April 1, 2026.

Please contact your local sales representative or customer service for any questions or to find out more about these products.

Sincerely,

Eric Miller
