IKO US Commercial Pricing Announcement

Effective: June 1, 2024

To Our Valued Customers:

Due to the raw material inflation, uncertainty, projections of future raw material costs, and operational cost pressures we are announcing a price increase for our Commercial products beginning June 1, 2024.

Products	Increase Amount
TPO and Accessories	3-5%
Polyiso	Up to 6%

All orders shipped on or after June 1, 2024, regardless of order date, will be invoiced at the new pricing. Existing job quotes will be honored but extensions will not be granted.

Our actual pricing will be communicated and updated price lists will be sent out as we get closer to June.

Should you have any questions or require further clarification, please do not hesitate to contact your local IKO representative.

We thank you for your continued support of IKO US Commercial products.

Sincerely,
IKO INDUSTRIES INC.

Michael Mendoza
Director of Single Ply Systems - US Commercial
