Valued Atlas Polyiso Customers,

Due to increases in the cost of the raw materials and other inputs for the manufacture of Atlas polyiso insulation products, prices will increase 5% effective May 15, 2024.

Atlas is doing everything possible to minimize the impact of these cost increases to our customers while continuing to be committed to product quality and service that our customers depend on.

Thank you for your business and continued loyalty to Atlas.

Robert Ferree
Vice President/General Manager
Roof and Wall Insulation Division
