Price Announcement

To: U.S. Elevate Customers

Dear Valued Customers,

Over the past few weeks all major mills have announced price increases to the market. As a result, Elevate will implement the following price increases effective on all bare and painted aluminum coil and sheet orders shipping on or after Feb 1st, 2024.

Metal	
Material	Increase
Aluminum	10-15%

As a reminder, all orders are priced at the time of shipment.

Thank you for your continued partnership as we monitor the steel and aluminum index. If you have any questions regarding this new price adjustment, contact your local Elevate Sales Representative.

Sincerely,

Yusuke Koreeda
