## **PRICE INCREASE BULLETIN**

### **ALL GALVANIZED METAL, PRE-PAINTED GALVANIZED METAL, ALUMINUM AND COPPER VENTILATION PRODUCTS**

#### **POTENTIAL 150-DAY PRICE CHANGE NOTICE**

There is NO immediate price change for O'Hagin products.

However, continuing inflationary pressures across labor, raw materials, transportation, and insurance combined with the ambiguity associated with existing and potential import tariffs compel us to communicate a likely price increase of between 3 – 5% on all metal, aluminum and copper products effective June 1, 2025.

Specific price changes, if any, will be communicated early in the second quarter of 2025.

Price changes, again if any, will go in effect on all orders shipped after June 1, 2025.

Please contact your local O'Hagin representative or call us (877.324-0444)  
if you have any questions.

O'Hagin is a family owned and operated business manufacturing American made products. We are committed to providing superior products with exceptional customer service at fair prices.

We sincerely appreciate your support and regret having to take this step.

David Mutter  
President
