Dear Valued Customer,

At ICP Group, we remain committed to delivering high-quality products and dependable service to support your business.

Due to ongoing increases in raw material costs, we will be implementing a **8-12% price increase on selected Pli-Dek products**, effective for all orders scheduled to ship on or after June 12, 2026. Updated price sheets reflecting this adjustment will be provided in the coming days.

We recognize the impact of price changes and have worked to keep this adjustment as measured as possible while continuing to provide the performance, quality, and support you expect. Thank you for your continued partnership and support. If you have any questions, please contact your sales representative.

Best Regards,
